

STAFFING SERVICES

The challenge of efficiently managing Information Technology personnel requirements in today's highly competitive and uncertain Federal market is growing ever more problematic.

IAI is the relief you need fulfilling the demanding terms of your government contracts and obligations! Building on three decades of providing proven IT services to DoD and Civilian Federal Agencies, IAI leverages its unique and exceptional network to access highly qualified candidates that complement your exacting employment needs and standards.

OUR APPROACH

Our objective is to become a long-term trusted and valued partner—not just a supplemental source of human resource assets. Think of us as your “go-to-guy” for all your firm’s IT staff augmentation needs.

Whether it is a single position with an uncommon technical skill set or a hiring surge of positions with more general technical requirements, our team of dedicated personnel strives to provide exceptional service to meet the Human Resource objectives of our clients.

OUR ADVANTAGE

“Our Federal IT industry relationships and inside knowledge—developed over many years of successful project implementations—allow us to respond quickly to meet the time constraints of even “short notice” engagements.”

IAI’s recruitment methodology brings valued clients the following benefits:

- Our ability to draw upon a unique internal database of experienced contacts, contractors and alliance partners
- Our understanding of diversified IT technologies across a wide technical spectrum
- Identifying, evaluating, qualifying and screening of “hard-to-find” candidates
- Our ability to rapidly respond to your ever changing business and contract requirements
- Flexible staffing commitments in terms of duration and number of positions
- Quick turnaround and productivity on candidate searches across multiple technical disciplines
- Varied offerings of pricing engagement models
- IAI maintains Top Secret personnel and facility clearances

OUR MISSION STATEMENT

“We are committed to delivering only qualified and screened candidates that meet or exceed our client’s expectations and will become valuable assets to their organization.”
